

Global 3000 Service Pack Note

EORI Numbers

Author	DCP	
Project	ZM60_000551.docx	
Version	1.0	1 of 5

INTRODUCTION

This service pack provides the ability to capture Economic Operators Registration and Identification (EORI) numbers for future use.

The changes introduce a new button (labelled 'EORI Numbers') within company parameters, customer maintenance and supplier maintenance. When pressed, EORI (Economic Operators Registration and Identification) numbers can be recorded (for future use).

DOCUMENTATION CHANGES
