Version	1.0	1 of 2

INTRODUCTION

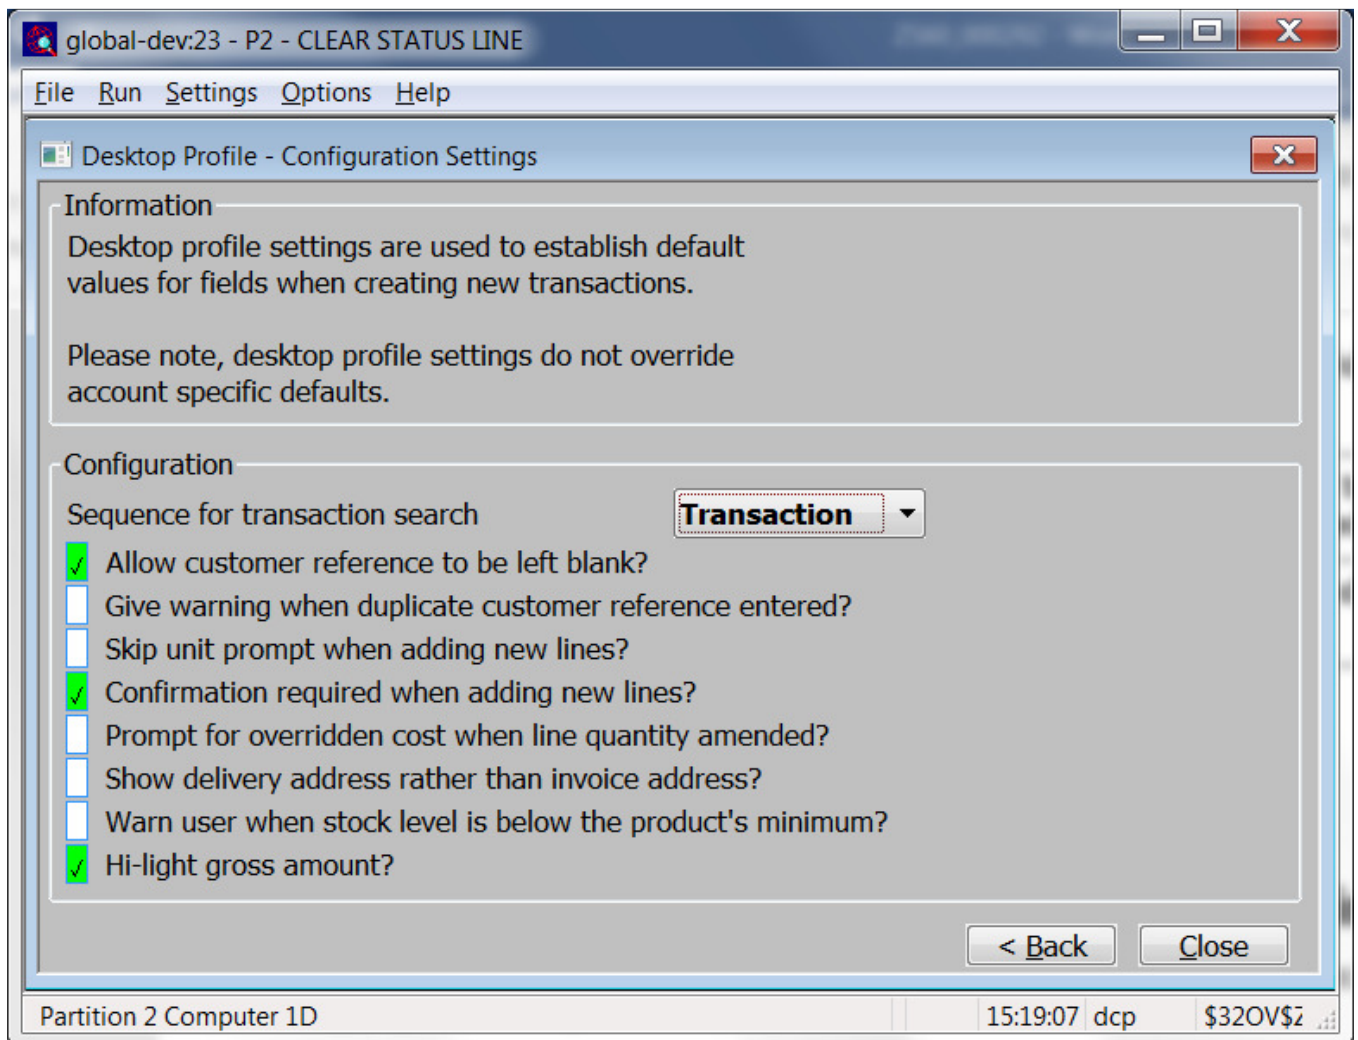

This service pack extends the SOP Transaction Desktop to provide a new profile setting that controls whether or not the gross amount is hi-lighted.

The changes extend the SOP Transaction Desktop profile settings to include a new option labelled 'Hi-light gross amount?'. If set the gross amount is hi-lighted.

Note these changes are only available in the Transaction Desktop and are not available in Sales Order Entry.

DOCUMENTATION CHANGES

Desktop Profile – Configuration Settings Window

Hi-light gross amount? When this is set Transaction Desktop hi-lights the gross amount.
